Honorable Members City Council  
Grand Junction, Colo.

Gentlemen:

I hereby submit my application for a permit to set two poles on the south side of the alley between Third and Fourth Streets and Rood Avenue and Main Street, and to run two new guys from the chimney of the New Method Laundry across the alley to the new poles. The purpose of this work is to properly support the stack from the new boiler which we are erecting for the New Method Laundry Company. These poles are to be furnished by and remain the property of the New Method Laundry and Dry Cleaning Company. However, they will be set by the Public Service Company in accordance with City regulations.

A sketch for this work is enclosed.

Yours truly,

A. R. ALLISON
