To all of our faithful readers of the Grapevine, this will be our last quarterly publication. We have decided to produce this newsletter bi-annually. The next publication will be around June 1, 2008 to give information on legislative issues that will be taking effect that year. We will still continue to send out under separate cover the registrations for all of our Alcohol Server Responsibility Training and other timely notices.

We would still encourage you to contact us if there is any topics you would like us to cover in future issues; we are always looking for ideas.

Remember to check out our website at www.gjcity.org, under the drop down menu go to the City Clerk and see any new information. Remember you can always email us at the address on page 2.
