Personnel

Due to the resignation of Keith Inman, Feb. 17, 1978 last day of work, I would like to recommend that the City re-hire Paul Marconnett for Utility Systems City Service Worker No. 2.

Paul always carried out his assignments, had very good working habits, got along well with his fellow workers and the general public, and had shown steady progress in every way.

With the above in mind, I would like your approval.
