NOW, THEREFORE, IT IS MUTUALLY AGREED:

1. Delegation of Pretreatment Powers. The District hereby delegates to the City, and the City hereby accepts administrative, managerial and enforcement authority concerning the District pretreatment program as applied to industrial users of the City's and County's regional wastewater system. 2. Intent of the District. It is the intent of the Board of Directors of the District to authorize the City to act as its agent in pretreatment matters so as to enable the City and County to comply with all federal and state grant and discharge permit requirements applicable to the City and the Persigo 201 Service Area.

3. Intent of the City. It is the intent of the City Council to exercise this authority on behalf of the District, other connector districts, the County and all users of the regional wastewater system so as to cooperatively administer a uniform and non-discriminatory pretreatment program encompassing the entire Persigo 201 Service Area consistent with all state and federal requirements.

4. Hold Harmless. The City hereby holds the District harmless from any and all liability whatsoever which may result either directly or indirectly from the City's acts or omissions arising from or related to the administrative, managerial or enforcement authority concerning the District's pretreatment program which is delegated herein.

5. Term of Contract. The term of this Agreement shall extend for thirty years, or until underlying sewer service agreements are terminated, whichever occurs sooner.

6. Repealer. All prior acts, orders, resolutions, ordinances, agreements or parts thereof, of the Board of Directors of the District or the City Council in conflict with this Supplemental Sewer Service Agreement are hereby repealed, except that this repealer shall not be construed to revive any such act, order, resolution or part thereof heretofore repealed.
