Attention: Mr. Davis C. Hickman
City Engineer

Dear Sir:

This letter is to serve as Notice to the City of Grand Junction as to the status of the Central Grand Valley Sanitation District sewer lines.

As of this date, the District has accepted the sewer lines on Schedules 1, 3, 4 and 5 from Burk's Construction Company. Schedule 2 has not been accepted pending the solution of an infiltration problem in this schedule.

In accordance with our agreement with the City, the City should now begin providing normal operation and maintenance on Schedules 1, 3, 4 and 5.

Article 5 of the Agreement provides that the City will issue hookup permits and provide inspection service in addition to providing normal operation and maintenance. You should now begin providing these services on Schedules 1, 3, 4 and 5.

Under separate cover, we are transmitting three copies of the "As Built" plans and sewer taps made to this date.

Very truly yours,

CENTRAL GRAND VALLEY SANITATION DISTRICT
