Dear Phil:

Attached is a copy of an agreement and proposed work program for the master sanitation plan for the Grand Valley (Mesa County) area. I understand you need this in order for your office to draw up a contract for the grant money.

The total cost of the project is \$30,000.00 and Mesa County will make up the difference between the grant and the total project cost.

Should you desire additional information please do not hesitate to contact me.

Sincerely,

John P. Halligan
Executive Director
