Mr. Duane Jensen
City Engineer
City of Grand Junction
Grand Junction, Colorado 81501

Dear Mr. Jensen:

Please be advised that the sewer lines constructed in the following streets and roads within the boundaries of the Orchard Mesa Sanitation District by the Schmidt-Tiago Construction Company terminating at your manhole situated in 27 Road near the south right-of-way line of U. S. Highway 50 have been completed, air pressure tested and checked for possible deflection in accordance with the plans and specifications included in a contract between the District and the Schmidt-Tiago Construction Company. All work in this portion of the project has been satisfactorily completed:

1. 27 Road from the existing City of Grand Junction manhole on 27 Road at U. S. Highway-50 to a point 250 feet south of the intersection of B Road with 27 Road.
2. B $\frac{1}{2}$ Road West from 27 Road to 26 $\frac{3}{4}$ Road.
3. 26 $\frac{3}{4}$ Road to Mesa View Avenue in the Mesa View Subdivision.
4. Talbott Drive to manhole SA-1-A-1, the end.
5. Twyman Drive to manhole SA-1-B-1, the end.
6. B $\frac{1}{4}$ Road West of 27 Road to Kema Court.
7. Kema Court to manhole SA-2-1, the end.
8. Via right-of-way easement East from 27 Road to Montgomery Street and Montgomery Street.

This portion of the Sewage Collection System is hereby approved for use by the District to be operated by the City in accordance with the Agreement between the City and the Orchard Mesa Sanitation District, dated November 19, 1975.
