Re: River Road, Paradise Hills and Independent
Avenue interceptor sewers, HDR No. 73-44-10
and 73-47-10.

Gentlemen:

On March 28, 1978, this office mailed to you,
duplicate pending pipeline crossing agreements, covering
the above mentioned pipeline crossings and encroachments
between Mile Post 451+3840 feet and Mile Post 454+5190
feet, near Durham, Colorado.

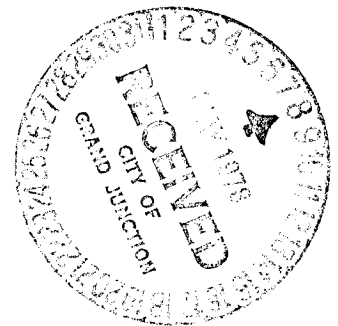

To date these agreements have not been returned.
Could you please advise as to their current status so we
may update our current files.

Very truly yours,

L. R. Parsons
