

SUPPLEMENTAL  
SEWER SERVICE AGREEMENT

WHEREAS, the Grand Junction West Water & Sanitation District ("District") is a special district organized and existing under the laws of the State of Colorado, and providing a sewage system to certain lands within the County of Mesa ("County") State of Colorado, and within the Persigo Wastewater Treatment Plant 201 Service Area; and

WHEREAS, the collection and treatment of sewage from the District by the City of Grand Junction ("City") as Manager/Operator of the regional wastewater system for the Persigo service area is provided for by Agreement dated Sept. 9, 1981, and as supplemented by Agreement dated March 13 1984; and

WHEREAS, the District has on March 13 1984 adopted a Resolution ~~numbered~~ \_\_\_\_\_ approving, adopting, and incorporating the Industrial Pretreatment Ordinance passed by the Grand Junction City Council on January 4, 1984; and

WHEREAS, said Resolution provides for delegation to the City of administrative and enforcement power concerning the District's pretreatment program;

NOW, THEREFORE, IT IS MUTUALLY AGREED:

1. Delegation of Pretreatment Powers. The District hereby delegates to the City, and the City hereby accepts, joint administrative, managerial, and enforcement authority concerning the District pretreatment program as applied to industrial users of the City's and County's regional wastewater system. The City will act as the District's agent in pretreatment matters to the extent necessary to allow direct regulatory and health-related control by the City over industrial users within the District.

2. Intent of the District. It is the intent of the Board of Directors of the District to authorize the City to act as its agent in pretreatment matters so as to enable the City and County to comply with all federal and state grant and discharge permit requirements applicable to the City and the Persigo 201 Service Area.

3. Intent of the City. It is the intent of the City Council to exercise this authority on behalf of the District, other connector districts, the County, and all users of the regional wastewater system so as to cooperatively administer a uniform, and non-discriminatory pretreatment program encompassing the
