Re: Federal Sewage Works Grant
C 080337-22 (Step 2)
Grand Junction, Colorado

Dear Mr. Patterson:

As required by Federal Regulations Title 40 CFR 35.937-6, a review of the engineering agreement dated February 2, 1978 and earlier amendments to existing engineering agreements between the City of Grand Junction and Mesa County, Colorado and Henningson, Durham, and Richardson, for work to be completed under EPA Step 2 grant to the City of Grand Junction, Colorado has been completed by their office.

We find the engineering agreement in compliance with pertinent regulations and adequately supported with applicable cost data. The engineering agreement is herewith approved for EPA's participative funding.

Sincerely yours,
