WESTERN COLORADO CONTRACTORS ASSOCIATION

GRAND JUNCTION, COLORADO 81501

ADDRESS REPLY TO: P. O. Box 694

February 5, 1979

Mesa County Commissioners
County Court House
Grand Junction, Co. 81501

Dear County Commissioners:

I am writing this letter for the Board of Directors of the Western Colorado Contractors Association.

The Board would like you to know that the Association is hopeful of any early settlement as to the management of the proposed new sewer plant. We feel that this is one of the most pressing problems in our valley today. It needs to move forward now.

If I or any of the other members of this Association can assist in any way, let me know and I will convey the need to our membership.

Sincerely,

Duane Scott
