To: (From:) Jim Wysocki From: (To:) Jim Patterson
City Manager Director of Public Works
and Utilities

The following are some items that I thought that you might want to discuss at the Council retreat.

1. Ownership and operation of the new sewage treatment plant.
2. What to do about Mr. Kearl who still has a water tap on our flowline at Whitewater Hill.
3. What to do about Mr. Ruth "the squatter" on City property on Kannah Creek.
