RE: Grand Junction - Interim Facility
C080337-22

Dear Harvey:

On October 8, 1979, the Water Quality Control Commission approved a Step II increase in the amount of \$87,000.00 for design of the interim treatment facility and development of a user charge system and the value engineering study.

Enclosed is a copy of the grant increase application and amendments #4, 5 and 6 to the engineering services agreement.

If you have any questions, please contact our office.

Very truly yours,

Ronald G. Schuyler, P.E.
Chief
Construction Grants Section
Water Quality Control Division
