The Honorable Anne M. Gorsuch  
Administrator  
Environmental Protection Agency  
401 M Street, S.W.  
Washington, D.C. 20460

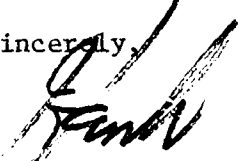

Dear Anne:

Enclosed is a letter concerning a wastewater treatment facility grant for Grand Junction, Colorado.

It is my understanding that this project proposal only requires final approval from EPA for work to commence. I understand you are reviewing all such proposals. However, anything which could be done to expedite the review of the Grand Junction project would be appreciated.

Thank you for your consideration of this request.

Sincerely,

  
Hank Brown  
Member of Congress
