Curt -

Attached are copies of recent correspondence re grant compliance for Persigo WWTP for your information.

The salinity and 201 update reports will both rely upon a study (I+I) funded by the City (exclusively) for \$175,000. This funding is being reevaluated.

Sorry to surprise you at the last Board meeting in announcing our 201 boundary amendment review. I'll try to coordinate more on all of this.
