Curt Wiedeman

County Administrator
44-1603

June 27, 1983

Mayor Gary Lucero
City Hall
Grand Junction, CO 81501

Mayor Lucero:

Recently it has come to our attention that the City of Grand Junction is preparing a contract to study and revise the 201 sewer plan. In as much as this study will look at sewer flows, land use, and readjustment of the 201 boundary in the County as well as the City, we would appreciate equal participation by the County.

We urge you to make this a joint study rather than one which will be conducted entirely by the City, since the implications are great for both City and County. We would like to participate in developing the scope of services, hiring the consultant, monitoring the work as it progresses, evaluating alternatives and the conclusions and recommendations of the study.

We look forward to working with you on this important matter.

Sincerely,

Maxine Albers
Chairperson, Mesa County Commissioners
