Re: County of Mesa Sewer Improvement Revenue Bonds,  
Series 1980A and Sewer Refunding Revenue Bonds,  
Series B, all dated November 1, 1980; and Joint  
Sewage Service Agreement as amended on October 1,  
1980 and as further amended on November 18, 1985

Dear John:

In reply to your letter of June 7, in accordance with paragraph 1 of the Service Agreement as amended and the bond resolution of the County authorizing the above-designated bonds, the City adopts the budget which is then approved by the County Commissioners. Rates and charges, and any changes to such rates and changes, are to be adopted by the County and approved by the City in accordance with the two amendments to the Agreement.

I enclose a copy of the amendment of November 18, 1980.

Very truly yours,

  
Robert C. Tallmadge
