Dear Mark:

Regarding Jim Shanks' letter of January 3 to the Fruitvale Sanitation District, the Mesa County Commissioners agree with your Council's decision to forgive the arrears against Fruitvale customers caused by the billing error and to begin charging them the correct amount effective January 1, 1994.

We believe our customers should not be penalized for an error by the operating parties. And, we would leave the matter of whether the City should compensate the fund to discussions between the two of us.

Thank you for your attention to this matter.

Sincerely,

Mike Casey  
County Administrator
