John Crouch, Commissioner  
Mesa County  
750 Main  
Grand Junction CO 81501

Dear Mr. Crouch:

As a follow up to our discussion today, I am asking that the Commissioners please respond to the following concerns:

- 1) Have the East Valley Citizens Association approached the County Commissioners in regard to their concerns about the proposed interceptor for the Valle Vista subdivision? If so, how has the County responded to these concerns.
- 2) Are these concerns being voiced by individuals that are participating in the Orchard Mesa/Mesa County Land Use Plan?
- 3) What is the position of the Mesa County Commissioners in regard to financial participation of this project is delayed or stopped due to litigation?

Your assistance in addressing these concerns is greatly appreciated. I will be out of the office until Tuesday February 22.

Sincerely,

Peggy Galligan  
Project Administrator
