RE: State Sewage Grant Project #92-2
Orchard Mesa Sanitation District

Dear Mr. Elsbury:

This letter will constitute your authorization to award the construction contract to M.A. Concrete Construction, Inc., the low responsive bidder. The total amount of the contract is \$338,072.60. This project is eligible for participation in the State Grant not to exceed \$100,000.00.

Please furnish our office with two copies of the authorization to the contractor to begin construction and two copies of the signed contract documents and construction schedule.

The contractor's must maintain adequate fire and extended coverage insurance (where appropriate), workmen's compensation, public liability and property damage, and "all risk" builder's risk insurance certificates, performance and payment bonds and signed statement of nonsegregated facilities for all contractors and subcontractors to our office.

Should you have any questions regarding this matter or any other aspect of this project, please do not hesitate to contact this office.

Sincerely,

Peggy Galligan
Project Administrator
Financial Assistance Program
