Re: Demand For Preparation Of An Environmental Impact Statement.

Dear Mr. Williams:

The Mesa County Board of County Commissioners is in receipt of your March 9, 1994, Demand For Preparation Of An Environmental Impact Statement. We question whether or not your demand has been made upon a party with responsibility to respond to the Demand. However, we have forwarded the Demand to the Mesa County Attorney for evaluation of the legal issues contained therein. Once that evaluation is accomplished, if it is determined that we have any responsibility regarding an Environmental Impact Statement, we will explore various courses of action which may exist and respond as soon as possible.

Sincerely:

John R. Crouch, Chairman
Mesa County Board of County Commissioners
