Subject: Trunk Line Extension Projects

Dear Jim:

The Mesa County Board of County Commissioners has approved the 26 Road Trunk Sewer Extension, as outlined in Mr. Cheney's letter of April 12, 1994. It is our understanding that this will be included in the capital program for 1995.

The use of the Trunk Line Extension Fund for the proposed Rosevale Local Improvement District (LID), has been approved for inclusion in the 1995 capital program. Please note that the formation of an LID can be time-consuming, and the actual expenditure of the bulk of these funds may not take place until 1996.

Thank you for your cooperation in this matter. The time and effort you and your staff have put into their projects, and the time you have spent working with us is greatly appreciated.

Sincerely,

John Crouch, Chairman
Board of Commissioners
