Dear Mr. Pace:

Thank you for your letter of July 11, 1994 regarding the City's requirement that you sign a Power of Attorney for annexation before it will issue a permit to connect to the Central Grand Valley Sanitation District's sewerage system.

We are reviewing the matter with our Attorney because we too have concerns regarding the way in which the City of Grand Junction is using the sewer permit to control land use in the unincorporated areas of the country. We will be back in touch with you when we have made a decision regarding our next steps on this matter.

Sincerely,

John Crouch, Chairman  
Board of Commissioners
