## ADDENDUM NO. 1

**DATE:** September 24, 2015  
**FROM:** City of Grand Junction Purchasing Division  
**TO:** All Offerors  
**RE:** GVT Operations, Route and Schedule Analysis RFP-4111-15-NJ

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Question 1:** "Can you please provide a the amount that is budgeted for this project?"  
**Response:** This information will not be provided.
  
2. **System Overview Section 4.2.4.:** Section 4.2.4., System Overview, of the Original Solicitation shall be amended to read as follows:  
  
4.2.4. **System Overview:** The consultant shall perform a systems overview of current GVT services. This includes a detailed route productivity analysis and evaluation. Additionally, schedule adherence and inherent issues with each route, such as traffic congestion, will be documented. Route profiles will be developed and routes scored based upon developed criteria. Small Transit Intensive Cities (STIC) performance measures will be analyzed against GVT's current performance. Strategies will be suggested for GVT to meet each of the six performance standards.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in blue ink that reads "Nicholas C. Jones".
