ARCHITECTURAL DESCRIPTION: One story with side gable. Battered foundation. Concrete steps with wire cut brick piers. Concrete coping on piers with two ornamental concrete classic urns on piers. Sunporch/entry extends full width of facade under extended shed roof. Porch is glazed with ribbons of large single pane lights on all three sides of porch with 4 x 4 multions. Siding on half-walls. Squared columns flank the door and are on front corners. Front door is paneled with three vertical lights. Windows around the house have been replaced with large, fixed pane, single lights like the porch. Projecting bay window with shed roof on south elevation. Light gray false bevel siding. Door and window surrounds, corner boards and knee braces under eaves are white. Composition shingle roof with exposed rafters and knee braces under eaves. Brick chimney on east slope.

Minimal lawn is edged by concrete curbing with a low white picket fence along curb. Trellis with silverlace vine on south elevation of sunporch. Two car garage at rear with battered foundation, false bevel siding, composition shingle roof with flared eaves, one large double hung window and five small windows, paneled side door and contemporary metal garage door.
