ARCHITECTURAL DESCRIPTION: One story with tall hip roof with cross gables. Concrete steps with pipe railings leads to wrap around screened porch with hip roof on west half of facade. Porch has siding on half-wall and five turned columns. Three paneled doors open off the porch, each with a large light. Windows are double hung wood sash, one-over-one. Shallow bay window with hip roof on west elevation. White simple drop siding with white trim. Window frames, doors, screen doors and porch screen framing is russet. Light gray composition shingle roof. Cross gable faces on south and west slopes are sided with shingles in fishscale, arc, notched and chevron patterns. Drop siding on east slope gable. Brick chimney on the west slope. Landscaped with lawn, planter of cement blocks along the east half of facade, and trees in parking area.

Carport attached to north elevation. Shed roof is supported by white posts.

Architectural significance: [] represents the work of a master [] possess high artistic value [X] represents a type, period, or method of construction	Historical significance: [] associated with significant person(s) [] associated with significant event [] associated with a pattern of events [] contributes to an historic district			
National Register eligibility: Individual [] yes [X] no Criteria: [] A [] B [] C [] D Area(s) of significance: Architecture	Contributes to a potential district: []yes [ X]no District name:			
Period of significance: 1892				
STATEMENT OF SIGNIFICANCE (briefly justify the significance checked above): This Queen Anne style house looks especially large with its high roof and light colors. The spacious porch has three doors opening onto it, which is unusual. The gables are particularly ornate with the rows of ornamental shingles in four shapes. Although not eligible for the National Register, this house may contribute to a local register.
