ARCHITECTURAL DESCRIPTION: One story, side gable roof. Foundation skirted with white wood shake shingles up to sills. Concrete porch extends along south half of facade and is covered by a shed roof supported by three, 4 x 4, full height wood posts. Stoop also features a low stone flower planter. Front door in center of facade is flush with two diamond lights and metal frame storm door. Majority of windows around house are double hung, wood sash, one-over-one, with metal frame storm windows and plank shutters. Facade has large, fixed pane picture window. Green asphalt shingle siding. Porch posts, window frames and surrounds, raking cornices, shutters and metal awnings are white. Light gray composition shingle roof with boxed eaves.

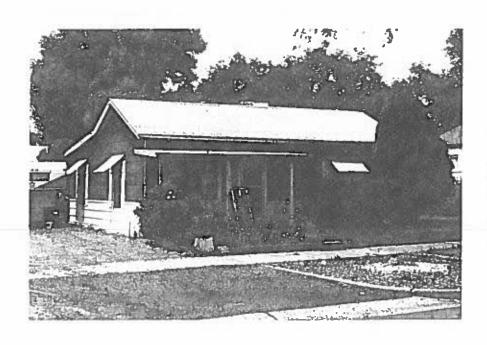

Landscaped yard with mature tree next to street. Evergreen shrub and tree next to north half of facade. Rose bushes and flower bed in front yard. Row of lilac bushes along north side of lot. Front and back yard enclosed by chain-link fence. Tall wood fence along south side of lot.

Large, one car garage in rear with side gable, light gray composition shingle roof, and olive green, board and batten siding.
