ARCHITECTURAL DESCRIPTION: One story, front gable roof. Rusticated concrete block foundation. Concrete steps on center of facade lead to a sunporch/entry that extends across 3/4's of facade with gable roof. Porch half wall of simple drop siding extends down to ground level. Half height, squared corner posts. Porch glazing consists of ribbons of wood frame, eight light windows on all three sides of porch. Screens over all windows. Porch has French door. Main door is glazed. Windows around house are double hung wood sash, one over one, with metal storms. Squared bay on east elevation with continuous shed roof. Light gray, simple drop siding. Porch gable has light gray shake shingles which alternate with turquoise fishscale shingles. Corner boards, water table, comices and raking cornices, porch door frame, and window surrounds are dark gray. Window frames are turquoise. Light green composition roof shingles with overhanging eaves. Brick chimney on east slope. Grass lawn with young tree next to street. Two small bushes along facade. Tall wood fence enclosed backyard. Gravel drive on west side of lot leads to a one car garage in rear. Front gable roof covered with dark gray composition shingles. Wide, lapped board aluminum siding is light gray. Raking cornices and corner boards are dark gray.			
PHOTOGRAPHS (include photographs showing each side of building and any associated buildings)			
Film roll no.: 44 Negative no.: 19	Photographer: Carolyn Howard Location of negatives: City Of Grand Junction		
CONSTRUCTION HISTORY (include description and dates of major additions, alterations, or demolitions): Rear porch enclosed, 1985. May have been moved onto location. Additional construction or modifications not noted in Assessor's records.			
HISTORICAL BACKGROUND (discuss important persons and events associated with this building): Although listed as being built in 1909, this house does not show up on the tax records prior to 1922 when it was the home of owners Myrtle and James White, a thresher, who lived there through 1936. The house then served as a rental through at least 1947, with tenants including a printer, clerk, salesman and assistant manager of Gibson Lumber Company.			
INFORMATION SOURCES (be specific): Plat Map, Appraisal Card, Lot and Block Books, Grand Junction City Directories.			
SIGNIFICANCE (check appropriate categories)		THEME(S):	
Architectural significance: [] represents the work of a master [] possess high artistic value [X] represents a type, period, or method of construction National Register eligibility:	Historical significance: [] associated with significant person(s) [] associated with significant event [] associated with a pattern of events [] contributes to an historic district		
Individual [] yes [X] no Criteria: [] A [] B [] C [] D Area(s) of significance: Architecture	Contributes to a potential district: []yes [ X]no District name:		
Period of significance: 1937			
STATEMENT OF SIGNIFICANCE (briefly justify the significance checked above): One of three houses in this area of town, with the same mass, bay window, an porches with lower pitch than the principal. Although not eligible for the National Register, this house may contribute to a local register. A $\mu$
