Non-responsive Non-responsive. Our spec was a 9 pick, they said they could provide 8.5. Non-responsive Non-responsive

Wes contacted Key Hose and they said they could meet our delivery and they have no concerns. No specs for 5" hose included in their response, Wes had to go online to find.
 Won't commit to our delivery, stated they contacted both Key Hose & North American Hose, and each indicated concerns in being able to produce hose in time to meet our delivery.

No warranty info, no lettr from mfr, no testing procedures, and no specs or warranty for 5" hose.
 No warranty info, no letter from mfr, no testing procedures, and no specs or warranty for 5" hose.
 5" hose spec is 225 psi, theirs is 200 so it won't meet spec. This is critical because some of our hydrants are at a min of 200 psi.
 No warranty info, no lettr from mfr, no testing procedures, and no specs or warranty for 5" hose.
 No bid form submitted, no acknowledgment of addendum. Won't commit to delivery.
