ADDENDUM NO. 2

DATE: November 18, 2018
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Aggregate & Road Material 2016 IFB-4135-15-DH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. What would be the time frame for the delivery of 3/8 chips? Because of the gradation specifications and time of year, producing the material could be problematic due to the cold weather.
A. The estimated time frame for delivery would be mid May through mid June.
2. Q. Could the quantity of materials to be delivered to the city be supplied all at once? Allowing for a one time loader to be present to buck up the materials.
A. Yes. A single delivery for material is fine.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
