

LETTER OF CONSENT
US HWY 50 ORCHARD MESA RESURFACING PROJECT

Ms. Kathy Freeman, Right-of-Way Manager
Colorado Department of Transportation Region 3
222 South 6th Street, Room 317
Grand Junction, CO 81501

Subject: Consenting to Roadway Work within City of Grand Junction Right-of-Way.
CDOT Project No. NHPP 0501-065, Project Code 20514

Dear Ms. Freeman:

This Letter of Consent is given pursuant to a request by the Colorado Department of Transportation (CDOT), to utilize certain City held right-of-way for the purpose of installing roadway improvements in conjunction with US Highway 50 Resurfacing Project occurring on Orchard Mesa (Project).

CDOT has designed, budgeted for and intends to implement a resurfacing, safety improvements, curb ramp upgrades and drainage improvements project along US 50 from South Avenue to 29 Road (Roadway Work). Prudent and proper implementation of the Project and Roadway Work requires modification to certain roadway elements within street rights-of-way owned or held by the City. The Roadway Work will temporarily affect city streets intersecting US Hwy 50 from mile marker 31.85 at Pitkin Ave. to mile marker 36.3, just past 29 Road. The temporary impacts will include occupancy of the City's rights-of-way to complete a smooth transition from side streets to the new elevation of US 50, and connections to existing street improvements, such as curbs and sidewalks.

By this letter the City hereby consents to the utilization and occupation of portions of the above described corridor by CDOT and CDOT's officers, employees, contractors and agents during construction of the Project and hereby consents to the Roadway Work described above.

The consent hereby given is for the above-stated purposes only and is not given for any other present or future work. By issuing this Letter of Consent, the City, its officers, employees and agents shall not assume any liability resulting from this Letter of Consent or the exercise thereof.

Given by the City of Grand Junction:
