

ADDENDUM NO. 1

DATE: January 8, 2016
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: 4x4 Extended Cab Pickup IFB-4159-16-NJ

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Question 1:** "I just wanted to check a couple of points with the 4x4 trucks (IFB-4159-16-NJ). You mention extended cab and standard cab. Should I figure the extended cab as our Frontier king cab, which is a door and a half with 2 jump seats (foldable) in the back, and a standard cab as a crew cab which is 4 full doors?"

Response: The 4x4 truck bids are separate bids. The smaller truck is an extended or super cab with front and rear hinged opening doors. The rear doors would be 1/2 size hinged doors. A rear foldable bench type seat is preferred.

1. **Question 2:** "I assume you don't want any sort of bedliner either."

Response: No bed-liner is needed.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in blue ink that reads "Nicholas C. Jones".
