RE: IFB-4164-16-DH Baseball Scoreboard Replacements for Canyon View Park Softball Complex

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. Is the City willing to accept bids for other brand name scoreboards that are equal to the specifications stated in the solicitation?

A. No. The specifications for the scoreboard shall remain brand name only.
2. The standard specifications for the scoreboard specified in the solicitation documents include "wired" console controllers. However, the City desires "wireless" console controllers for this project. Bidders pricing shall include costs for the wireless console controller option, brand name only to the All Sport 1600 series controllers.
3. See attached Site Visit Sign In Sheets.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
