Pursuant to such contract, the City is undertaking certain activities necessary for the execution of certain projects the City desires to disburse funds to the Subrecipient to execute certain projects in conjunction with such undertaking of the City;

NOW, THEREFORE, the parties hereto do mutually agree as follows:

II. SCOPE OF SERVICES

A. Activities

The scope of services to be rendered by the Subrecipient is attached as Exhibit "A" hereto and made a part of this Agreement. Subrecipient agrees to perform the work described in Exhibit "A" in compliance with all provisions of this Agreement. Subrecipient warrants and represents that it has the requisite authority and capacity to perform all terms and conditions to be performed hereunder.

B. National Objectives

The specific National Objective to be met and how it will be met by the Subrecipient is described in Exhibit "A" attached to and incorporated by reference into this Agreement.

C. Client Data

The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level or other basis for determining eligibility and description of service provided. Such information shall be made available to the City or its designees for review upon request.

III. RESPONSIBILITY OF THE CITY

The City shall designate representative(s) of the City who will be authorized to make all necessary decisions required of the City on behalf of the City in connection with the execution of this Agreement and disbursing funds in connection with the program.

IV. PAYMENT

If Subrecipient is not in default hereunder, and subject to City's receipt of the Department of Housing and Urban Development Community Development Block Grant funds and provided that the Agreement and Scope of Services are eligible expenditures of Community Development Block Grant funds, the City agrees to pay the Subrecipient a total dollar amount that is described on Exhibit "A" of this Agreement. Payment shall be made upon presentation of invoices which Subrecipient certifies are true and correct copies of payments due on behalf of the Subrecipient, for an activity covered by this Agreement and made in accordance and compliance with the Scope of Services. Payment may be withheld by the City in the event of non-performance by Subrecipient. The City may, at its sole discretion, retain 10% of each disbursement with final payment made upon successful completion of the project including satisfactory compliance with all City, state and federal requirements.

The Subrecipient also agrees to comply with all other applicable federal, state and local laws, regulations and policies governing the funds provided under and the obligations imposed by this Agreement. The Subrecipient further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available.

B. Independent Contractor

Nothing contained in this Agreement is intended to or shall be construed in any manner as creating or establishing the relationship of employer/employee or a partnership or joint venture between the parties. The Subrecipient shall at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The City shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance as the Subrecipient is an independent Subrecipient.

Such amendment(s) shall not invalidate this Agreement nor relieve or release the City or Subrecipient from its obligations under this Agreement.

The City may, in its discretion, amend this Agreement to conform with federal, state or local governmental law, rules, guidelines, regulations, policies and/or available funding amounts or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both the City and Subrecipient.

G. Suspension or Termination

Either party may terminate this Agreement at any time by giving written notice to the other party of termination and specifying the effective date thereof, at least 30 days before the effective date of such termination. Partial terminations of the Scope of Service may only be undertaken with the prior written approval of the City. In the event of any termination for convenience, all finished or unfinished documents, data, studies, surveys, maps, models, photographs, reports or other materials prepared by the Subrecipient under this Agreement shall, at the option of the City, become the property of the City and the Subrecipient shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to termination.

The City may also suspend or terminate this Agreement, in whole or in part, if the Subrecipient materially fails to comply with any term of this Agreement, or with any of the law, rules, regulations or provisions referred to herein and the City may declare the Subrecipient ineligible for any further participation in the City's contracts, in addition to other remedies as provided by law. In the event there is reason to believe the Subrecipient is in noncompliance with any applicable law, rules or regulations, the City may withhold up to fifteen (15) percent of said contract funds until such time as the Subrecipient is found to be in compliance by the City or is otherwise found by the City to be in compliance.

STRiVE**

**EXHIBIT "A"
SCOPE OF SERVICES**

1. The City agrees to pay the Subrecipient, subject to the subrecipient agreement, \$4,500.00 from its 2015 Program Year CDBG Entitlement Funds for services in the children's diagnostic clinic. The general purpose of the entire program and this project is to provide more cost-effective services to families with children needing comprehensive evaluation and diagnosis for disabilities in the autism spectrum. Services are provided at STRiVE's main program office located at 950 Grand Avenue, Grand Junction, Colorado.
2. The Subrecipient certifies that it will meet the CDBG National Objective of low/moderate income or disabled clientele benefit (570.201(e)). It shall meet this objective by providing the above-referenced services to low/moderate income families in Grand Junction, Colorado.
3. The STRiVE diagnostic clinic provides more cost-effective services to families with children needing comprehensive evaluation and diagnosis for disabilities in the autism spectrum. It is understood that the City's grant of \$4,500 in CDBG funds shall be used to provide specialized clinic services to children needing this type of evaluation. Costs associated with any other elements of the program shall be paid for by other funding sources obtained by the Subrecipient.
4. This project shall commence upon the full and proper execution of the 2015 Subrecipient Agreement and the completion of all appropriate environmental, Code, State and Local permit review and approval and compliance. The project shall be completed on or before December 31, 2016.
5. The total budget for the project is estimated to be \$27,000. CDBG funds in the amount of \$4,500 shall be used exclusively for diagnostic clinic services, with the program balance paid from other sources available to STRiVE.
6. Approximately 72 clients benefitted from the diagnostic center in the past year. STRiVE estimates that this funding will provide for specialized clinic services for 3 more children in the autistic spectrum in the coming year.
7. The City shall monitor and evaluate the progress and performance of the Subrecipient to assure that the terms of this agreement are met in accordance with City and other applicable monitoring and evaluating criteria and standards. The Subrecipient shall cooperate with the City relating to monitoring, evaluation and inspection and compliance.

8. The Subrecipient shall provide quarterly financial and performance reports to the City. Reports shall describe the progress of the project, what activities have occurred, what activities are still planned, financial status, compliance with National Objectives and other information as may be required by the City. A final report shall also be submitted when the project is completed.
9. During a period of five (5) years following the date of completion of the project the use of the Properties improved may not change unless: A) the City determines the new use meets one of the National Objectives of the CDBG Program, and B) the Subrecipient provides affected citizens with reasonable notice and an opportunity to comment on any proposed changes. If the Subrecipient decides, after consultation with affected citizens that it is appropriate to change the use of the Properties to a use which the City determines does not qualify in meeting a CDBG National Objective, the Subrecipient must reimburse the City a prorated share of the City's \$4,500 CDBG contribution. At the end of the five-year period following the project closeout date and thereafter, no City restrictions under this agreement on use of the Properties shall be in effect.
10. The Subrecipient understands that the funds described in the Agreement are received by the City from the U.S. Department of Housing and Urban Development under the Community Development Block Grant Program. The Subrecipient shall meet all City and federal requirements for receiving Community Development Block Grant funds, whether or not such requirements are specifically listed in this Agreement. The Subrecipient shall provide the City with documentation establishing that all local and federal CDBG requirements have been met.
11. A blanket fidelity bond equal to cash advances as referenced in Paragraph V.(E) will not be required as long as no cash advances are made and payment is on a reimbursement basis.
12. A formal project notice will be sent to the Subrecipient once all funds are expended and a final report is received.
