Background:

That evaluation was performed in accordance with and pursuant to Article IV, Sections 4-2 and 4-3 of the 1977 Model Traffic Code, section 2B-10 of the Manual on Uniform Traffic Devices and the *City of Grand Junction Speed Evaluation Standards*. The evaluation was reviewed by the Transportation Engineer and in her opinion is consistent with conscientious, reasonable and prudent traffic engineering standards and practices.

Findings:

Yucatan Court is a residential street without a posted speed limit.

Speed Regulation:
