City Attorney Shaver provided Ms. Krause with three documents, the first two marked with an “A” and the third one marked with a “B” and asked Ms. Krause if she has personal knowledge of those documents. Ms. Krause said she did as she is the one who created them. City Attorney Shaver asked why they were created. Ms. Krause said that she works for Parks and Recreation as a Recreation Supervisor and Southwest Arbor Fest is one of her events she’s responsible for. City Attorney Shaver asked about the history of the event, how many years has it been held, and have there ever been any problems with the service of alcohol. Ms. Krause said the event has been on the books for 12 years and there have never been any problems. City Attorney Shaver said that the questionnaire indicated that there would be 10 to 15 security personnel and asked Ms. Krause to explain how that would vary and who would deploy the security. Ms. Krause said that two Citidel security guards will be hired to maintain the gate and a Parks crew and a Recreation crew are in uniform to monitor the alcohol intake and to check identification and, under Ms. Krause’s supervision, will be working in shifts. City Attorney Shaver asked Ms. Krause what the nature of the event is. Ms. Krause said it is mainly focused around trees, the alcohol is a sub-piece of the event, and instead of a chili tasting contest, there will be a mac and cheese tasting contest, there will be a jalapeno eating contest, arborists, and vendors. City Attorney Shaver asked Ms. Krause to describe what is depicted on Exhibit B. Ms. Krause said that the orange circle on the diagram is the perimeter for alcohol service for the event which will be tall orange snow fencing with only one entrance with Staff and a security guard. There will also be the mac and cheese tastings, a stage for music, and the beer tasting vendors. Staff will watch for signs of intoxication and overservice. The event is only five hours and people don't usually come to the event with the intent to be overserved. City Attorney Shaver asked whose signature is on page 2 of Exhibit A. Ms. Krause said it is hers. City Attorney Shaver asked if her signature represents that the information contained on that document is true and accurate. Ms. Krause said yes.

There was no one present in opposition of the application

Hearing Officer Grattan admitted Exhibits A and B into the record (attached) and found that pursuant to Colorado State Statutes 12-48-106, there are no grounds to deny the special events permit, it would not be injurious to the public welfare because of the nature of the special event (it is a community activity centered around trees), its location within the community (Lincoln Park is regularly used and is appropriate for such large events), or the failure of the applicant in a past special event to conduct the event in compliance with applicable law. He found that the application for a special events permit submitted by the City of Grand Junction for Southwest Arbor Fest 2016 was in order and approved it.

Mr. Sorter answered yes; they were created the documents for the Tulips & Juleps and Garden Groove Concert Series. City Attorney Shaver asked Mr. Sorter to describe the events. City Attorney Shaver asked what the dark line on the diagram refers to. Mr. Sorter explained that at last year's hearing for Special Event's Permits, he was asked to draw a black line around the perimeter so he drew that line for this year's request. City Attorney Shaver asked if it would indicate the service boundary for the alcohol. Mr. Sorter said yes. City Attorney Shaver asked about the security. Mr. Sorter said they will hire two C.S.I. security guards who will be stationed at the entrance and one at the liquor table. Three TIP's trained volunteer security guards in yellow vests will monitor the event. Prior to the event they will be advised of all things that they need to be aware of. The pourers of the alcohol will also be trained and will be required to check for wristbands prior to pouring any alcohol. The wristbands will confirm that they are 21 years of age or older, that their identification has been checked, and they are allowed to have alcoholic beverages. City Attorney Shaver asked if there have ever been any problems with past events. Mr. Sorter said, as far as alcoholic beverages are concerned, there has never been a problem or a need to call the police. STRiVE. Mr. Sorter said that is correct except for the June 25th event is for Habitat for Humanity.

There was no one present in opposition to the application.

Hearing Officer Grattan entered Exhibits A and B into the record (attached) and found that pursuant to Colorado State Statutes 12-48-106, there were no grounds to deny the special events permits, it would not be injurious to the public welfare because of the nature of the special events (fundraisers for STRiVE, Habitat, and Roice Hurst), and its location within the community (Botanical Gardens), or the failure of the applicant in a past special event to conduct the event in accordance with applicable law. He found that the application for special events permits submitted by the Western Colorado Botanical Society for the Tulips & Juleps and Garden Groove Concert Series 2016 on April 16th, May 7th, May 21st, June 11th, June 25th, July 23rd, and August 27th for the times as reviewed earlier was in order and approved it.
