

RESOLUTION NO. 10-16

A RESOLUTION AUTHORIZING THE INTERIM CITY MANAGER TO APPLY FOR A FEDERAL TRANSPORTATION INFRASTRUCTURE GENERATING ECONOMIC RECOVERY (TIGER) VIII GRANT FOR CONSTRUCTION WORK ON THE NORTH AVENUE (US HIGHWAY 6) COMPLETE STREETS PROJECT PHASE II

Recitals:

In July of 2012, the City was awarded a Federal Transportation, Community, and System Preservation Program (TCSP) grant in the amount of \$1,190,099 for the North Avenue (US Highway 6) Complete Streets Project which will construct a ¾ mile segment from 12th Street to 23rd Street. This federal TIGER VIII grant request would fund the second phase that proposes to transform the balance of the four mile thoroughfare by constructing ADA compliant active (bike/pedestrian) transportation alternatives to the disadvantaged corridor.

The application proposes a match of up to \$3,500,000 representing at that amount a local participation of 26% in the estimated total project cost of up to \$13,500,000. Project expenditures are anticipated to accrue primarily in 2020 and 2021.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CITY COUNCIL OF THE CITY OF GRAND JUNCTION THAT:

The Interim City Manager is authorized to apply for the TIGER VIII grant for the North Avenue (US Highway 6) Complete Streets Project Phase II.

PASSED AND APPROVED this 6th day of April, 2016.
