RE: One Ton Pickup with Utility Body IFB-4226-16-NJ

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Question 1:** "Without going through the bid process, with the chassis being a 4x4, vs. 4x2, and the utility body being the 108" length, I was inquiring if this combination would be acceptable for the City of Grand Junction?"

Response: Yes, the Owner will evaluate all bids received and make award in the best interest of the Owner.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
