

ADDENDUM NO. 2

DATE: May 13, 2016
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: Safety Pool Covers IFB-4240-16-NJ

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. **Question 2:** "We're currently working on this bid, but my supervisor wanted me to reach out to see if you could provide us with the Meyco Job number or sales order number for each of the three covers?"

Response: Attached to this Addendum 2 is the only information the Owner is able to locate.

2. **Question 3:** "The quote/job information for the "75 Feet x 45 Feet Learn to Swim Pool" sent to us by Meyco was of a different size cover. Would you happen to have any information on this cover (quote #, job #, etc) that you can supply us so we can get that information from Meyco?"

Response: The Owner does not have any more information available. It is expected that the awarded vendor will need to make an on-site visit prior to finalizing the cover order details. The City of Grand Junction's GIS map is available free of charge and may be helpful to bidding vendors, as measurements and dimensions can be made and viewed on the map. It can be found on the following website: <http://www.gjcity.org/GIS.aspx>

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

A handwritten signature in blue ink that reads "Nicholas C. Jones".
