**V. OTHER BUSINESS**

**VI. ADJOURNMENT – 2:41 p.m.**

**NEXT REGULAR MEETING – September 7, 2016**

**Subject:** Thunderstruck  
**From:** Gregg (grandjunction@brownsshoeco.com)  
**To:** jeffersonbaker81501@yahoo.com;  
**Date:** Thursday, July 28, 2016 10:20 AM

To the Liquor Licensing Authority,

I apologize to the Liquor Licensing Board that I can not appear in person, as I had intended. I have been in retail on Main street for the past 36 years. My store is directly across the street from Thunderstruck Valley.

Their daytime operation is a welcome addition to the ambience and feel of our downtown community. They occasionally violate the noise ordinances by blasting music so loudly I have to yell to communicate with customers in my own store, but this unfortunate occurrence is seldom, but irritating.

The larger concern I have, and one based on my past experience as a two term City Council member, and former Mayor, is the consequences of their practice of over serving customers on the week end nights. I have frequently been downtown on week end nights and seen the throngs milling about, and the urination, fighting, and general disorder caused by their drunken patrons.

Of particular concern to me, is that an entire shift of Grand Junction Police Department is required to be in and around their establishment to keep peace and order. This is NOT the responsibility of the citizens of grand junction to provide Thunderstruck's security in the form of GJPD. If they need more security to safely run their business, hire it. They should not rely on GJPD to do Thunderstrucks obligations.

By tying up valuable and expensive law enforcement, they are endangering the rest of the community. By over serving, and deliberately filling the downtown with drunken patrons, they damage the reputation, safety and ambience downtown, cause health and safety issues for the merchants in the area, and create an unsafe and unfriendly environment. I am tired of the literal blood on the sidewalks, and urine in the streets.

I do not ask that they lose their Liquor license at this point, they deserve an opportunity to hear from their neighbors. They need to understand we are tired of the unintended consequences of their serving policies. We should not have to bear the brunt of their careless practices. I respectfully ask that their license be conditioned on better training for their staff to recognize when to stop serving overtly drunken patrons, that they provide enough well trained security to not endanger the surrounding area, nor be a draw on public safety resources every week end.

In short, if they can learn to be a good neighbor, I welcome them to the business community and wish them

Success, if they can not find responsible ways to control the crowds they draw to our area, a relocation or revocation may become necessary. I truly hope they will listen to their business neighbors, and understand what is responsible corporate behavior, and what is not.
