

PUBLIC WORKS-TRANSPORTATION ENGINEERING

Having been duly posted on the 12th day of September, 2016 and the public having the opportunity to comment on the propriety of the following regulation it will be duly promulgated and become effective on the 26th day of September, 2016.

RE: ADMINISTRATIVE REGULATION NO.

City of Grand Junction Speed Regulation 05-2016

ISSUED BY:

Greg Lanning, Public Works Director

9/09/16

Date

RECOMMENDED BY:

Sandra Mallory, Transportation Systems Analyst

09/09/16

Date

Background:

An evaluation to determine the need for a school zone speed reduction for 24 1/2 Rd. from F 3/8 Rd. to Ajay Ave. in the area of what is currently Juniper Ridge Community School (640 24 1/2 Rd) was conducted on September 9, 2016. That evaluation was performed in accordance with and pursuant to Part 6 section 615 of the 2009 Model Traffic Code, Part 7, Chapter 7B.15 of the Manual on Uniform Traffic Control Devices 2009 and the City of Grand Junction Speed Evaluation Standards. The evaluation was reviewed by the Transportation Engineer and in his opinion is consistent with conscientious, reasonable and prudent traffic engineering standards and practices.

Findings:

24 1/2 Rd. from F 3/8 Rd. to Ajay Ave. in the area of what is currently Juniper Ridge Community School (640 24 1/2 Rd) has experienced a time of day traffic congestion due to student pick-up & drop-off. It is necessary to lower the speed limit during these periods to accommodate the increased traffic and pedestrian activity.

Speed Regulation:

A reduced speed zone of 25 MPH on 24 1/2 Rd. from F 3/8 Rd. to Ajay Ave. shall be in effect during school days from 8:00 to 8:45 AM and 3:15 to 4:00 PM.
