

## ADDENDUM NO. 2

**DATE:** February 28, 2017  
**FROM:** City of Grand Junction Purchasing Division  
**TO:** All Bidders  
**RE:** ¾ Ton Short-Bed Pickup IFB-4334-17-SH

Bidders responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

**Question 1. Is there a tow rating requirement?**

**Answer:** The truck must be designed and rated to haul a payload of at least 3,500 pounds. Conventional tow rating must be sufficient for pulling a tandem axle trailer with a 10,000 pound GVWR.

**Question 2. The specs call for bucket seats with a center console. Would it be acceptable to bid a 40/20/40 split bench seat with power driver's seat and seatback and seatbottom console storage?**

**Answer:** Yes, this will be acceptable.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

Susan Hyatt  
City of Grand Junction, Colorado
