Attention: Clerk or other election supervisor

The Division of Local Government ("the Division") did not receive your most recent regular election filing.

This letter is a reminder that Colorado municipalities now file their election results with the Division of Local Government in the Department of Local Affairs.

With the enactment of HB16-1012, municipal election certifications and cancellations filings were moved from the office of the Secretary of State to the Division. Because the law did not take effect until August 2016, the November 2017 election for some cities and April 2018 election for most towns were the first regular elections to be held subsequent to the enactment of that bill.

Please be advised that if a municipality conducts a regular or special election, the results are to be filed with the Division going forward.

Please file either:

- A. The clerk* certified election results per 31-10-1205(2), C.R.S. Please be sure that the results are clear. For example, the clerk certification should be hand signed, the vote made clear, and the winner shown. Please include any ballot language if there were issues or questions posed to voters.

* Or county clerk certified, if coordinated

Or,

- B. A copy of the notice of cancellation, described in 31-10-507, C.R.S.

Please forward the appropriate documents using either the Division's E-Filing Portal at dola.colorado.gov/e-filing, or by forwarding electronically to me personally at joe.mcconnell@state.co.us.

If you have any questions, or feel that this letter has reached you in error, please feel free to contact me directly at 303-864-7739 or joe.mcconnell@state.co.us. I appreciate your prompt attention to this matter.

Sincerely,

Joe McConnell
