Fences exceeding six feet in height require a separate permit from the City/Coun	y Building Department A fence constructed on a corner
lot that extends past the rear of the house along the side yard or abuts an alley requires approval from the City Engineer (Section 5-5-5B of the Grand Junction Zoning and Development Code).	
The owner/applicant must correctly identify all property lines, easements, and r	ights-of-way and ensure the fence is located within the
property's boundaries. Covenants, conditions, restrictions, easements and/or rights-of-way may restrict or prohibit the placement of fence(s). The owner/applicant is responsible for compliance with covenants, conditions, and restrictions which may apply. Fences built	
in easements may be subject to removal at the property owner's sole and absolute expense. Any modification of design and/or material	
as approved in this fence permit must be approved, in writing, by the Community Development Department Director.
