RE: Tennis Court Resurfacing Projects IFB-4398-17-DH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. Are all the courts at Canyon Park North were getting resurfaced? Also, it mentions something about Redlands park in the specifications but there is not a line item for that park on the bid form. Can you please confirm if Redlands park is part of this project as well.

A. Yes, all the courts at Canyon View Park are getting resurfaced. Redlands Park is Pine Ridge Park.

2. Q. We ask that you consider Hellas' tennis court surfacing product and Hellas as an approved manufacturer and installer of our TPS™ 5000 acrylic surfacing system as equal to the currently specified California Products Plexichrome product.

A. The City will accept this product.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
