That said assessment shall be due and payable within thirty days after the final publication of this ordinance without demand; provided, that all such assessments may at the election of the owner, be paid in installments with interest as hereinafter provided. Failure to pay the whole assessment within the said period of thirty days shall be conclusively considered and held an election on the part of all persons interested, whether under disability or otherwise to pay in such installments. All persons so electing to pay in installments shall be conclusively considered and held as consenting to said improvements, and such election shall be conclusively considered and held as a waiver of any and all rights to question the power and jurisdiction of the City to construct the improvements, the quality of the work, and the regularity or sufficiency of the proceedings, or the validity or correctness of the assessment.

SECTION 4. That in case of such election to pay in installments, the assessments shall be payable in ten equal annual installments of the principal, with interest upon unpaid installments payable annually at the rate of six per cent per annum. The first of said installments of said principal shall be due on the 28th day of February 1949, shall be payable on or before said day, and the remainder of said installments shall be due on the last day of February of each year thereafter until all of said installments are paid in full.

The owner of any piece of real estate not in default as to any installment, may at any time pay the whole of the unpaid principal, with interest accrued.

SECTION 6. That payment may be made to the City Treasurer at any time within thirty days after the final publication of this ordinance, and an allowance of the two per cent added for cost of collection and of interest from the date of payment to the 28th day of February, A.
