RE: Chip Spreader IFB-4475-18-SH

Firms responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following:

Question #1: The bid calls for a front wheel drive and the specs call out a four wheel drive. Would you clarify that?

Answer: Four wheel drive is required. Therefore, **Section I.A** and **Section IV** are hereby amended to read:

“Four Wheel Drive Self-Propelled Chip Spreader”

Question #2: Section 1 states the Chip spreader must have a width ranging from 10ft to 20ft. Is a width range of 8ft to 16ft acceptable?

Answer: Please mark the width of your unit in the comments section for that particular item.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,

Susan Hyatt
