ADDENDUM NO. 1

DATE: June 27, 2018
FROM: City of Grand Junction Purchasing Division
TO: All Offerors
RE: 2018 Load and Haul Residual Radioactive Material IFB-4544-18-DH

Offerors responding to the above referenced solicitation are hereby instructed that the requirements have been clarified, modified, superseded and supplemented as to this date as hereinafter described.

Please make note of the following clarifications:

1. Q. I was curious as to who has done this sort of hauling in the past years for the City of Grand Junction? My understanding is that it is an ongoing process and that a limited amount of import can be taken in each year at GJDS. Also, what did bids for this kind of work come in at in years past? Is there somewhere I could access those numbers?

A. This project was last bid out in 2013, and is only performed about every 4 years or so. Please see attached 2013 bid tabulation.

The original solicitation for the project noted above is amended as noted.

All other conditions of subject remain the same.

Respectfully,
