7/15/2018 2018-00101 On Sunday, July 15, 2018, Grand Junction Police Department employees participated in the Tip-a-Cop event which was held out our local Chili's Restaurant. Each year, you are the one to spearhead and organize this event for our department. Your leadership and involvement in this worthwhile cause clearly demonstrates your support and willingness to help those in need. The Special Olympics program offers a chance for those with disabilities to participate in competitive events and instills a sense of pride in their accomplishments. The money raised by this event is extremely important to the continuations of the program. Your participation continues to send a loud and clear message to hundreds of restaurant patrons that you truly care about your community and that you are willing to help raise much needed funding. During this event, \$86,703.21 was raised state-wide for this program. The Grand Junction effort contributed \$4,129.25 to that total, coming in first in the state. Each year, the support from our community continues, proving that this is a worthwhile and supported event in our community. Without your dedication, assistance and oversight, this event would not get the attention and participation that it deserves. I want to commend you and thank you for your role in this event. You represented the Grand Junction Police Department in a very positive light and I greatly appreciate your service.

7/15/2018 2018-00102 On Sunday, July 15, 2018, you and other Grand Junction Police Department employees took part in the annual Tip-a-Cop event at our local Chili's Restaurant. The donation of your time and your involvement in this worthwhile cause, for the second year in a row, clearly demonstrates your support and willingness to help those in need. The Special Olympics program offers a chance for those with disabilities to participate in competitive events and feel a sense of pride in their accomplishments. As you know, the money raised by this event is extremely important to the continuation of the program. Your participation sent a loud and clear message to hundreds of restaurant patrons that you truly care about your community and that you are willing to help raise much needed funding. During this event, \$86,703.21 was raised state-wide for this program. The Grand Junction effort contributed \$4,129.25 to that total, coming in first in the state! I doubt that many Special Olympics participants give much thought to the amount of money that is raised, but the sense of excitement, accomplishment and pride that they feel when participating in the various events is a gift that will not soon be forgotten. You are a big part in making this happen! I want to commend you and thank you for your participation in this event. You represented the Grand Junction Police Department in a very positive light and I appreciate your service.

7/3/2018 2018-00100 Letter received: " I would like to take this opportunity to thank you and your agency for providing outstanding support and personnel during the Lake Christine Fire in Basalt. On July 3, 2018 at 5:52pm, a wildland fire started at the Lake Christine Gun Range. Over the course of the next two days the fire threatened hundreds of homes and businesses in the Town of Basalt and the communities of El Jebel and Missouri Heights. Due to the fire, over 500 homes and businesses were evacuated and 2,100 people were displaced for several days. When the fire call went out, several area agencies began offering assistance to our Department. Over the course of nine days, 17 separate Law Enforcement Agencies provided assistance to the Basalt Police Department and Eagle County Sheriff's Office. Your agency was one of these assisting agencies and I am eternally grateful for your help. During the past week and a half, I have had multiple conversations with residents and business owners who were impacted the by the fire. Every person I've spoken with has told me the Officers, Investigators, Deputies, Troopers, Parks and Wildlife Officers, and Federal Law Enforcement Officers were compassionate, accommodating and true Professionals during their time of need. I am very proud of every law enforcement officer that assisted us with evacuations, road blocks, personal escorts and security patrols. I am also very proud to say that during our mandatory evacuations not a single personal injury or property damage incident was reported. Your staff handled these dangerous evacuations with expertise and dedication to safety. I am honored to work with you and all the agency personnel that came to our aid. My Department and the Town of Basalt are truly blessed to have such outstanding law enforcement partners who came in out time of need. Please pass my eternal gratitude to the law enforcement officers who came from your agency. Without you and them, the outcome of the 7000+ acre fire would have been very different. Sincerely, Gregory Knot

7/20/2018 2018-00107 I would like to thank Detective Joe Chavira and Sergeant Clint Newton for their work on a case that has the potential to impact a staff member in our school district. They met with a team from the district to detail what they investigated and I was very impressed. They were professional, thorough and helpful in answering our questions. They were outstanding representatives of the police department and it was a great example of how our organizations work together to support students. Please extend my gratitude to them and their supervisors.
