THIS HEALTH SERVICES AGREEMENT (this "Agreement") is made and entered into to be effective as of August 13, 2018 (the "Effective Date") by and between the City of Grand Junction, Colorado ("Client"), with principal offices at 250 N. 5th Street, Grand Junction, CO 81501, and Marathon Health, LLC ("Marathon"), a Delaware limited liability company with principal offices at Champlain Mill, 20 Winooski Falls Way, Suite 400, Winooski, VT 05404. WHEREAS, Client desires to retain Marathon to furnish such preventive, wellness, disease management, health consultation, occupational health and/or primary care services;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in this Agreement together with all exhibits, and for other good and valuable consideration, the receipt of which is hereby acknowledged, Client and Marathon hereby agree as follows:

Article I Definitions

- 1.1 "Care Provider" means a staff member or independent contractor of Marathon who provides care or consultation services directly to Participants.
- 1.2 "Collaborating Physician" means an appropriately licensed physician who has a collaborative relationship with a nurse practitioner or physician's assistant as required under the laws of the state in which such nurse practitioner or physician's assistant is providing services.
- 1.3 "Participant" means an individual, age 2 years or more, eligible to participate in the Marathon Services as determined by the eligibility criteria of Client's health plan or as otherwise determined by Client.

Article II
Services; Relationship Between the Parties

- 2.1 Services. Marathon will provide Client with the services described and set forth in **Schedule A** (the “Marathon Services”). Services that do not clearly fall within the description set forth on **Schedule A** shall be outside the scope of this Agreement, and Client shall instruct Participants to seek outside assistance for such matters with an alternate healthcare provider. Marathon may provide some of the Marathon Services by engaging the services of third party contractors, particularly for professional services.
- 2.2 Implementation Timeline. Marathon and Client mutually agree to modify Marathon’s standard implementation timeline as needed to allow Marathon to commence the Marathon Services on the Commencement Date of the Initial Term of this Agreement.
- 2.3 Independent Contractors. Marathon, and each of the third party contractors delivering services hereunder, is an independent contractor with respect to the services provided under this Agreement and is not the agent or employee of Client. Notwithstanding any authority granted to Client herein, Marathon and/or any Care Provider or Collaborating Physician shall retain the authority to direct or control his, her or its medical decisions, acts or judgments.
- 2.4 Employee Benefit Plans. The programs and services provided under this Agreement are not designed or intended to be provided under any Client employee benefit plan or program. Accordingly, neither Marathon, nor any of the third party contractors it may engage, is a fiduciary, trustee, or sponsor with respect to these programs or services. In the event the programs and services become part of a Client employee benefit plan or program, Marathon, and each of the third party contractors it may engage, shall be considered to be acting only as a consultant to Client with respect to such matters and shall not be considered in a fiduciary, trustee or sponsor relationship in such plan.

Article III
Contract Period

- 3.1 Term. The “Initial Term” of this Agreement shall begin on the Effective Date, and shall continue with the Marathon Services subject to annual appropriation for a period of three (3) years, commencing on January 9, 2019 (the “Commencement Date”), unless terminated earlier as provided for in Article VII, below.
- 3.2 Renewal Terms. This Agreement shall automatically renew for additional terms of one (1) year (each a “Renewal Term” and together, the “Renewal Terms”), unless either Party terminates this Agreement by giving written notice not less than three (3) months prior to the expiration of the then current term. Such Renewal Term(s) shall be subject to the termination provisions set forth in Article VII below. Failure

to provide timely written notice shall act as a Party's intent to automatically renew the Agreement at the end of the then current term. The Parties agree that they shall begin good faith negotiations regarding any material changes to the terms of this Agreement no later than six (6) months prior to the end of the then current term.

Article IV Payment Terms; Pricing

- 4.1 **Fees.** Marathon will submit invoices to Client for the fees as set forth in **Schedule B**. With the exception of reimbursement of reasonable expenses as otherwise provided in this Agreement, such fees shall be the only compensation to Marathon under this Agreement. Upon each anniversary of the Commencement Date and subject to annual appropriation by the Clients Governing Board, fees shall automatically increase by 5% over the previous period, unless material changes are otherwise agreed to by the Parties in accordance with Section 3.2. Payment is due for all undisputed charges within thirty (30) days of receipt of an invoice. A one percent (1%) per month late fee will be charged for payments on undisputed charges not received when due.
- 4.2 **Failure to Pay.** Failure to pay an invoice when due shall constitute a breach of this Agreement and Marathon reserves the right to terminate this Agreement or suspend services upon a breach by Client that continues more than thirty (30) days after the invoice due date. Marathon reserves the right to refrain from providing services to Client, if full payment is not made when due for undisputed charges, until such time as payment in full has been made. In the event that Marathon continues to provide services during a period of time when Client is in breach, such continuance of services will not operate as a waiver of Marathon's right and ability to utilize any and all remedies available to Marathon under applicable laws.
- 4.3 **Tax Obligations.** All fees for services purchased or licensed in this Agreement, unless otherwise noted, are exclusive of applicable taxes. Client agrees to pay all applicable sales, use or service taxes imposed by any state or local tax authority on the services or payments provided hereunder (other than taxes calculated on the basis of the net income of Marathon) which Marathon may be required to pay or collect. Any such tax due is in addition to the fees charged by Marathon herein and will be listed separately on invoices. To the extent Marathon has not collected and remitted any applicable tax for Client in reliance upon an erroneous representation of Client as to its tax status, Client's obligation to pay taxes shall include any interest and penalties imposed by any taxing authorities. If a certificate of exemption or similar document or proceeding is necessary in order to exempt the sale from sales or use tax liability, Client shall obtain and produce such certificate, document or proceeding, at its sole expense.

Article V Duties of Marathon

- 5.1 Equipment and Supplies. At its sole cost and expense, Marathon shall provide or arrange for the provision of such equipment, supplies, professional services and such other support services necessary for the performance of its obligations under this Agreement. Marathon shall retain ownership of and/or control over the equipment and/or supplies provided under this Agreement.

Marathon shall comply with all Laws governing the services being performed under this Agreement. Marathon, at its sole expense, shall obtain any and all licenses and permits required for the services performed by its personnel and Contractors, including but not limited to any and all visas, work permits, etc. required by applicable Law.
- Marathon shall be solely responsible for the payment of compensation of Marathon personnel and contractors performing services hereunder, and Marathon's personnel and contractors are not entitled to the provision of any Client employee benefits. Client shall not be responsible for payment of worker's compensation, disability or other similar benefits, unemployment or other similar insurance or for withholding income or other similar taxes or social security for any Marathon personnel and contractors, but such responsibility shall solely be that of Marathon.

Client will provide Marathon with copies of other documents and materials prepared independently by Client describing, publicizing, or significantly affecting the Marathon Services prior to the distribution of such materials. Marathon shall review and comment on such materials within a reasonable time after receipt. Client shall use reasonable efforts to seek Marathon's input prior to publicizing and providing such information to Participants, which input shall not be unreasonably delayed. Client expressly permits Marathon to use Client's name in advertisements to recruit Care Providers

Marathon will provide Client with the file format defining the specifications for the data.
- 6.7 Availability of Resources. Client agrees to allow Marathon to utilize any internal resources of Client and to assist Marathon in such utilization, including, but not limited to, training, marketing tools and resources, and technical support necessary to maintain the requirements outlined in Section 6.1, as mutually agreed upon by the Parties, in order to enhance the effectiveness and utilization of the Marathon Services. Client will identify a single primary point of contact for implementation project management and ongoing account management.
- 6.8 Compliance with Law. Client shall not direct or encourage Marathon to act or refrain from acting in any way which, to its knowledge, would violate any applicable law or regulation. Client shall not act in any way which, to its knowledge, could implicate or involve Marathon in a violation of any such law or regulation.

Article VII Events of Default, Remedies and Termination

- 7.1 Events of Default. Any one or more of the following shall constitute an event of default under this Agreement (each to be an "Event of Default"):
 - (a) Any failure by Client to pay Marathon in accordance with Article IV of this Agreement;
 - (b) Any material failure by either Party to promptly and fully perform its obligations or comply with the terms of this Agreement, and, provided that such default is not a willful violation of applicable Law or a threat to Participant health and safety, (which failures must be remedied immediately), the defaulting Party shall have sixty (60) days to remedy such

default after written notice of such default by the aggrieved Party to the defaulting Party specifying in detail the nature of the default, and provided further that the defaulting Party shall have up to ninety (90) days to cure such default if it has commenced to cure such breach within thirty (30) days of receipt of such notice and is continuing to diligently pursue a cure of such breach; and

7.2 Remedies.

- (a) Subject to the terms and conditions of this Agreement, upon an Event of Default by Client, Marathon may, at its option, (i) suspend further Services under this Agreement, (ii) pursue any and all remedies that may be available at law or in equity, and/or (iii) terminate this Agreement.
- (b) Subject to the terms and conditions of this Agreement, upon an Event of Default by Marathon, Client may, at its option, (i) suspend further payments to Marathon which are specifically associated with such default, (ii) pursue any and all remedies that may be available at law or in equity, and/or (iii) terminate this Agreement.

7.3 Termination Events.

- (b) This Agreement may be terminated by a written agreement signed by an authorized individual of both Parties.

7.4 Consequences of Termination.

- (a) Termination under any section of this Article VII shall not cause either Party to waive any rights it may have to exercise any remedies available to it under any other section of this Agreement or under any applicable Law.
- (b) In the event this Agreement is terminated by reason of a Party's default, the defaulting Party shall be liable for all direct costs, fees, expenses and damages and/or other amounts, including reasonable attorneys' fees, which the other Party may incur or sustain which are directly due to such default,

including but not limited to, reasonable attorneys' fees. In the event that the other Party claims any additional direct costs, fees, expenses, damages, and/or other amounts, the defaulting Party agrees to provide upon request such additional financial or accounting records as may be reasonably necessary for the other Party to verify such additional direct costs, fees, expenses, damages, and/or other amounts. In the event this Agreement is terminated by reason of a Party's default, the other Party shall have no continuing obligations or liabilities under this Agreement except as expressly provided under this Agreement.

- (c) Except as expressly provided below in this Section 7.4(d), notwithstanding anything in this Agreement to the contrary, (a) no Party shall be liable to the other party for incidental or consequential damages resulting from any breach of this Agreement, and (b) the maximum liability of either party to the other for any breach or violation of this Agreement or any addendum to this Agreement shall not exceed an amount equal to the total fees payable under this Agreement. The Client as a Public agency may assert protection as provided by CRS 24-10-01. Notwithstanding the foregoing, the limitations on liability set forth in this subsection shall not apply to any Event of Default by a party constituting fraud, gross negligence, or willful misconduct in connection with this Agreement, or claims for indemnification under Article XI of this Agreement.
- (d) Provided that Client has satisfied all payment obligations under this Agreement, and any disputes regarding payment have been resolved, or, if an unresolved payment dispute exists, Client shall have deposited in an interest-bearing escrow account with a mutually agreed upon financial institution an amount equal to the disputed payment amount, in all cases of termination, Marathon agrees to work with Client to make an orderly transition of the Marathon Services and Client's property pursuant to the terms and conditions of a mutually agreed upon transition plan. Marathon and Client agree to negotiate in good faith the terms and conditions of any such transition plan.
- (e) Marathon shall maintain Participants' health records beyond termination of this Agreement in accordance with applicable laws.

Article VIII Confidentiality of Participant Records

- 8.1 Access to Participant Information. Marathon acknowledges and agrees that in the course of performing its duties under this Agreement, Marathon, its Care Providers and/or their agents may acquire or obtain access to or knowledge of health records or other personal and confidential information regarding Participants.

- 8.2 Safeguard of Information. Marathon, its Care Providers and their agents will safeguard Participants' health records and other personal and confidential information to ensure that the information is not improperly disclosed and to comply with any applicable law, rule or regulation, including, but not limited to, regulations promulgated by the United States Department of Health and Human Services, pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") as the same may be amended from time to time (collectively the "HIPAA Regulations"), the Health Information Technology for Economic and Clinical Health (HITECH) Act, and other federal and state regulations governing the confidentiality of health information, including without limitation mental health, substance abuse and HIV-related information. Individual electronic medical record information is the property of Marathon, subject to each Participant's rights to his/her individual medical information.
- 8.3 Granting of Access. Marathon will afford access to Participant's health records or personal and confidential information to other persons only as allowed, or required by law. Marathon shall not grant access to patient records, patient information, and other personal and confidential data to any individual or to Client except as provided in this Section 8.3.
- 8.4 Compliance Assistance. To the extent Marathon utilizes space provided by Client in providing services under this Agreement, the Client shall reasonably assist Marathon in complying with these requirements, including the physical access to such space.

Article IX Confidentiality of Business Information

- 9.1 Restriction of Use; Confidentiality. Each of the Parties agrees not to use any Confidential Information (as defined below) for any purpose other than to accomplish the intent of this Agreement. No other rights, or licenses to trademarks, inventions, copyrights, or patents are implied or granted under this Agreement. Confidential Information supplied shall not be reproduced in any form except as required to accomplish the intent of this Agreement. Each Party agrees to keep all such Confidential Information confidential and, at a minimum, treat this Confidential Information in the same confidential manner it would treat its own most confidential information, and shall not disclose it to others or use it for any purpose except as required to accomplish the intent of this Agreement.
- 9.2 Confidential Information. For purposes of this provision, the term "Confidential Information" shall mean any business practices, methods of doing business, or written or electronic materials relating to its business and shall also include without limitation any written material of the type that is proprietary, including, without limitation, software programs, technical information, patent applications, patent disclosures, prototypes, samples, business apparatus, forms of reports, know-how, and other materials marked "confidential", or confidential information

disclosed verbally if set forth in a writing which is provided to the recipient within 15 days of verbal disclosure thereof. Confidential Information shall not, however, include information that is governed by the confidentiality provision of Article VIII, or any information which recipient can establish (i) was publicly known and made generally available in the public domain prior to the time of disclosure to recipient; (ii) becomes publicly known and made generally available after disclosure to recipient through no action or inaction of recipient or its affiliates; or (iii) is in the possession of recipient, without confidentiality restrictions, at the time of disclosure as shown by recipient's files and records immediately prior to the time of disclosure. Nothing in this Agreement shall be deemed to prohibit recipient from disclosing any Confidential Information that is (i) required by law (provided, however, that in the event of such requirement, prior to disclosing any Confidential Information, recipient will notify the disclosing Party of the scope and source of such legal requirements and shall give the disclosing Party the opportunity to challenge the need to disclose and/or limit the scope of disclosed information) or (ii) pursuant to the written consent of the disclosing Party.

- 9.3 Indemnification. Marathon hereby agrees to indemnify and hold harmless the client and the Client agrees to hold harmless Marathon from any damage, loss, cost or liability (including legal fees and the cost of enforcing this indemnity) arising out of or resulting from its unauthorized use or disclosure of Confidential Information. Each Party acknowledges and agrees that monetary damages would be both incalculable and an insufficient remedy for any breach of this Agreement and that any such breach would cause either Party irreparable harm. Accordingly, each Party also agrees that, in the event of any breach or threatened breach of this Agreement, the disclosing Party, in addition to any other remedies at law or in equity it may have, shall be entitled, without the requirement of posting a bond or other security, to equitable relief, including injunctive relief and specific performance.

Article X Non-Solicitation

- 10.1 Non-Solicitation. As consideration for the resources dedicated to the development of the Marathon Services and for Marathon entering into this Agreement, Client agrees that it will not, either during the term of this Agreement or for a period of two (2) years after the termination of this Agreement for any reason whatsoever, directly or indirectly, employ or consult in any way, whether in a paid or unpaid capacity, any entity or individual, including but not limited to Care Providers, medical directors, Collaborating Physicians, employees, and independent contractors, furnished by Marathon in performing services under this Agreement, unless Marathon gives prior written approval.

- 12.5 Severability. If any provision of this Agreement is determined to be unenforceable or invalid, such determination will not affect the validity of the other provisions contained in this Agreement. Failure to enforce any provision of this Agreement does not affect the rights of the Parties to enforce such provision in another circumstance. The parties agree to submit any and all unresolved disputes directly or indirectly arising under this Agreement or any addendum to this Agreement to final and binding arbitration before a neutral arbitrator. The parties agree to waive their right to a trial by jury or court and agree that they will not make a demand, request or motion for a trial by jury or court. The parties agree that it is their intention that arbitration is to be the sole method for resolving any dispute covered by this Agreement (or any addendum to this Agreement), and that there will be no resort to court action except to compel arbitration, to enforce the arbitrator's award. The agreement to arbitrate shall in no way limit any parties' right to seek an injunction or other equitable remedies from any court of competent jurisdiction. In the event that any provision regarding arbitration is held to be in conflict with a mandatory provision of applicable Law, the conflicting provision shall be modified to conform to applicable Law.

	Year 1	Year 2	Year 3

This is computed as follows:

-) Client's expected year 1 PMPM medical claims costs for the eligible population, excluding large cost claimants of \$50,000 or above, are agreed upon between Marathon & Client.
-) Expected year 2 PMPM costs are computed by increasing expected year 1 costs by 9% for medical inflation. Expected year 3 PMPM costs are computed by increasing expected year 2 costs by 9% for medical inflation.
-) Actual PMPM medical claims costs for each year, excluding large cost claimants of \$50,000 or above, are obtained and compared to the expected costs to arrive at the Actual Gross Reduction in PMPM Cost.
-) The Actual Gross Reduction in PMPM Cost is decreased by the PMPM fee paid to Marathon to arrive at the Actual Net Reduction in PMPM Cost. The Actual Net

Reduction in PMPM Cost is divided by the expected PMPM cost for the year to determine the Actual Net Reduction Percentage.

Fee Credits

The portion of at-risk fees attributable to Reducing the Per Capita Cost will be credited back to the Client in accordance with the following scale:

Variance of Actual Net Reduction Percentage from the Net Reduction Target
